

# Timothy NG

Managing Consultant, AMC Group

## Introduction

**Managing Consultant at AMC Group**, overseeing the Marketing and Business Development departments. With a decade of experience at AMC Group and a background as an auditor, Timothy has a deep understanding of industry needs. He has assisted over 300 Small and Medium Practitioners in Malaysia, Hong Kong, and Singapore to enhance their audit effectiveness and efficiency through automation and digitalization.

In his tenure, Timothy has successfully led numerous projects that have resulted in significant efficiency gains for clients. He believes in leveraging technology to drive innovation and improve business processes. His professional philosophy centers on continuous improvement and client-centric solutions.

As a speaker, consultant, and trainer, Timothy has been actively involved in AMC Group events, customer training sessions, and institutional training programs.
