SERVING OUR COMMUNITY DURING COVID-19

Keeping you and CPA candidates informed.

In these uncertain times, the world is changing by the minute — including to CPA Exam testing. Here's a quick recap of where we stand:

- CPA Exam testing is closed through *at least* April 15. This date is subject to change, dependent on COVID-19 circumstances.
- To account for missed test dates, an Emergency Q2 Testing Period has opened from June 10-June 30.
- Any Notice to Schedules (NTS) expiring in Q2 will be extended to September 30. Prometric will waive all rescheduling fees.

The CPA Exam is on hold, but candidates' CPA goals don't have to be.

We know candidates are feeling confused and unmotivated in the current climate. To help, we've implemented several [initiatives to empower them to reach their CPA goals](#):

- **To help offset some financial burden, we've lowered our 4-part CPA review to just \$1499 — a 50% price reduction.**

- We are extending course subscriptions for current students affected by exam closures.
- We provide free, relevant resources and guidance to the community. For example, checkout this 3-minute video of Roger Philipp, CPA, CGMA covering [5 Tips for CPA Candidates During the COVID-19 Pandemic](#):
