

## 2020 FAR CREDIT LOSSES WEBCAST

Presented by Roger Philipp, CPA, CGMA

With the launch of the 2020 exam there were major changes to the FAR section, specifically surrounding Financial Instruments - Credit Losses. These changes are quite pervasive and complicated, as they apply to most financial assets and require the use of more judgment and various factors in developing expectations of credit losses.

But not to worry, we're here to help all CPA candidates get to the finish line. Available through May 3rd, watch our [FAR - Credit Losses Webcast](#) where Roger Philipp, CPA, CGMA takes an in-depth look at these new changes and how to tackle them.
