

## Introducing Bennett Thrasher's Coronavirus (COVID-19) Resource Center

With many COVID-19 legislative measures and related resources available, Bennett Thrasher is dedicated to providing you with the information your business needs. Our team of accounting and consulting professionals are continuously monitoring developments as they occur in real-time order, in order to provide you with important updates on legislation and relief efforts that affect you and your business. Our dedicated team is here to provide strategic guidance related to:

- Estimated tax payments
- Disaster relief credits
- Insurance claims
- Stimulus package benefits and resources
- Small business loans
- Considerations for cash flow management
- Payroll considerations

In this time of uncertainty, many are forced to tackle unprecedented challenges. How do leaders ensure continuity during the pandemic? What steps can they take to serve their employees and customers? What tax and regulation changes do they need to be aware of? How can vulnerable industries mitigate risks?

Our [Coronavirus \(COVID-19\) Resource Center](#) offers materials to navigate these questions and guidance to make informed choices.
