

Main Street Lending Program is now operational

Earlier this week, U.S. Treasury Secretary Steven Mnuchin announced the Main Street Lending Program is now fully operational. The Program was established to provide financial support to small and medium-sized businesses affected by the COVID-19 pandemic. Interested borrowers can find additional information about the Program, including a list of participating eligible lenders by state, [here](#).

Eligible borrowers have access to a variety of loan options depending on whether they operate a for-profit or not-for-profit entity. Follow the link below for details on Program loan options.
