

QuickFee PayLater

Offer your clients the flexibility to **pay over time** in monthly installments. Win more business, or use as a friendly way to collect aging receivables. No matter what option they prefer, you always get paid upfront and in full.

PREPARE A QUOTE

Preparing a quote is easy. Just enter some basic client information in your QuickFee account and send to your client.

YOU GET PAID IN FULL

Once your client is approved and accepts the terms, the full amount is in your bank account within 1-3 business days.

"With QuickFee we were aiming to solve three problems; the first one was to provide our clients with an opportunity to pay by installments, the second one was of course to improve our cash flow and liquidity, and the third one was to manage our debtors even better, in particular long outstanding debts."
