

Can your business claim the postponement of the lease payments?

Russian government has specified the fields of businesses, which can claim the postponing of their lease payments. In its Decree from April 3, it clarified, that only businesses operating in the fields, which have **severely been damaged** by COVID-19, are in the list. Among them are tourist industry, leisure, air transportations, sport etc.
The postponement of the lease will be provided maximum until 01.01.2023.

In order to read about the conditions of application and peculiarities of the procedure, click on the button below:

If your company is active in those areas mentioned in the list, or was objectively unable to use the property, we can assist you in analyzing your lease contract and support you with implementing the entitlements presented by the law.

Stay healthy!
