WEBINAR RECORDING

Paycheck Protection Program Loan Forgiveness

If you are a business lucky enough to have been approved by the Small Business Administration (SBA) for a loan from the Paycheck Protection Program, you have likely received the proceeds of the loan by now. One of the features that made the loans so popular is the forgiveness feature. So, now that you have the money, what should you do to maximize the amount of forgiveness?

In this webinar recording, Erica Horn and John Wurtenberger discuss everything you need to know about Paycheck Protection Program loan forgiveness. Click the 'Watch this Webinar' button below to download the slides and our PPP Loan Forgiveness Guidance materials.

Who should watch?

Any business who has applied and received a Paycheck Protection Program Loan.

Presented by:
