

I have absolutely loved our [Daily Connection](#) events (so much so, that **I've made the decision to extend them** - information below), and the guests this week have brought smiles and laughter, reminding me of better times. Thank you for joining us!

**Let's keep the positivity going!**

- **YES!** We're extending the *Daily Connection* events through May 1st, and I'm so excited to make this platform available to more leaders who have something meaningful to share with the world. If you haven't registered yet, [come join us!](#) If you already signed up, your original registration still works.
- **GREAT OPPORTUNITY!** Berrett-Koehler Publishers is taking their **Book Marketing Workshop** virtual – **April 21-22!** Learn more about the speakers (including yours truly), topics, and (reduced) cost on their website, and [register for this fantastic event!](#)
- **PASS IT ON!** Join Chip Bell in saying “thank you” to all of those in your life who go above and beyond. [Check out his post](#) and then go tell someone you appreciate them!

We might all still be stuck at home, but that doesn't mean we can't continue to make connections, learn from others, and share our gratitude. I'd love to hear what this time has meant to you, and what you will take away from it as we move forward.

My best,

Becky
