COVID-19 Response Series: Working with Clients Remotely

COVID-19 Response Series: Working with Clients Remotely

Almost overnight, your clients' needs have changed dramatically. For many firms, working with clients in an entirely digital way went from a being a long-term goal to an immediate need. From your clients' perspective, it will be incumbent on you to make the necessary changes and meet their needs. Fortunately, there are changes you can make in the short-term that will provide lasting benefits.
