

Changes in VAT in Russia – Who Will it Affect?

We expect that the law will enter into force before the end of 2018. At the same time, the State Duma of the Russian Federation supported the draft of a set of compensation measures for VAT.

Sergey Leoshko, Head of Tax Department at SCHNEIDER GROUP, gives more details and explains who will be affected, what services are in the list and what compensations will be applied.

Click on the video and learn more about the changes in VAT in Russia.
